

When is the energy storage International Conference & Expo (Esie)?

Visit the Energy Storage International Conference and Expo (ESIE) from 10. - 12. April 2025. How often does the Energy Storage International Conference and Expo (ESIE) take place?

What is the energy storage brand exhibition?

Experts and representatives from well-known companies in China and other countries and regions explored the development trends of the energy storage industry. The energy storage brand exhibition kicked off on April 11 and will last until April 13 at Shougang Park Convention and Exhibition Center, attracting more than 500 energy storage brands.

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025,and will be held at Beijing New International Exhibition Center Phase II.

Why should you attend Eesa China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO),Asia's premier energy storage exhibition,the road ahead is paved with countless opportunities. From connecting with 150,000+of your peers to doing business with 600+exhibitors,It's an exhibition that yields benefits throughout the entire year.

Why should you attend energy storage Expo?

From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, It's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls,inviting participation from power companies,power generation groups,grid companies,transmission and distribution operators,grid system operators and integrators,new energy manufacturers and investment institutions.
