

Ameresco and Sunel Group, an international developer and EPC contractor for energy projects, have begun construction on a portfolio of multiple solar photovoltaic (PV) park projects across the United Kingdom on behalf of Sonnedix, a global renewable energy producer.. The design-build projects will include five ground-mounted solar PV parks throughout England ...

Sonnex is the owner of the portfolio and Ameresco Sunel Energy Ltd, a joint venture between Ameresco and Sunel, will serve as the design build partner. The portfolio is already fully contracted under the UK government's Contracts for Difference (CfD) scheme, which provides a guaranteed price for electricity through 15-year contracts with ...

Ameresco Sunel Energy has commenced construction on the portfolio of multiple solar photovoltaic (PV) park projects of renewable energy producer Sonnedix in the UK.. Appointed as the design-build partner for the project, Ameresco is a joint venture between US-based renewable energy asset developer Ameresco and international contractor Sunel Group.

Global renewable energy producer Sonnedix has started construction of a 300 MW portfolio of five solar PV projects which will contribute to the UK's supply of secure and clean electricity, generating approximately 300,000 MWh of renewable electricity per year, enough to power 85,000 UK homes and avoid 58,000 metric tons of CO2 emissions annually.

Ameresco, Inc., (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy and Sunel Group, an international developer and EPC ...

London, UK and FRAMINGHAM, MA - 25 July, 2024 - Today Ameresco Sunel Energy SA announced its role in the construction of Lightsource bp's 560MWp Enipeas solar project in Greece. This flagship project is one of the largest solar sites in Europe, underscores Greece's commitment to sustainable energy and economic resilience.

Ameresco, Inc., (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy and Sunel Group, an international developer and EPC contractor for energy projects,. . .

US-based cleantech integrator Ameresco and the Sunel Group have teamed up to bid for 1.5GWp of solar photovoltaic (PV) and battery energy storage system (BESS) projects in the UK and Europe.. Located across ...

Ameresco Sunel Energy has commenced construction, since December 2023, on the portfolio of multiple solar photovoltaic (PV) park projects of renewable energy producer Sonnedix in the UK. The five ground-mounted

solar PV parks under construction are Lawns Solar Farm, Winkburn Solar Farm, Gammaton Solar Farm, Cowley Complex, and Gonerby Solar. ...

FRAMINGHAM, Mass. & LONDON, December 07, 2023--Ameresco, Inc. (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy, and Sunel Group, an international ...

Ameresco, Inc. and Sunel Group have established Ameresco Sunel Energy S.A., which has already been selected by Cero Generation, a leading European solar energy developer, as the ...

US-based cleantech integrator Ameresco and the Sunel Group have teamed up to bid for 1.5GWp of solar photovoltaic (PV) and battery energy storage system (BESS) projects in the UK and Europe. Located across ...

Ameresco Sunel Energy has announced its involvement in the construction of Lightsource bp's 560MWp Enipeas solar project in Greece. This flagship project, one of the largest solar sites in Europe, underscores Greece's commitment to sustainable energy and economic resilience.

Ameresco, Inc. and Sunel Group have established Ameresco Energy Hellas S.A., which has already been selected by Cero Generation, a leading European solar energy developer, as the contractor for "Delfini", a 100 MWp solar photovoltaic (PV) project in Greece, currently in the construction phase.

UK-based solar energy developer Cero Generation has selected Ameresco Energy Hellas, a subsidiary of Ameresco, and Sunel Group as its partners for a 100MW solar photovoltaic (PV) project in Greece. The Delfini solar PV facility will be developed in Greece's Prosotsani Drama region.

Joint venture Ameresco Sunel Energy, the contractor, said it would complete the Enipeas plant of 560 MW in peak capacity in 18 to 24 months. The location is in the regional unit of Larissa in Central Greece and in Phthiotis (Phthiotida) in Thessaly. Read the ...

Renewables developer Ameresco has partnered with EPC contractor Sunel Group to bid on 1.5GWp of solar PV and battery energy storage system (BESS) project contracts across Europe.

SUNEL Group and Ameresco are excited to support Sonnedix in the construction of their largest project in the UK, boasting a massive capacity of 120 MWp! ... SUNEL Group has more than 10 years of experience in energy investments and mainly photovoltaic power plants. OPERATIONS HEADQUARTERS. Kyprou 17 & Irakliou Avenue 453 14122 Athens, Greece ...

Ameresco Sunel Energy has initiated the construction of Lightsource bp's 560 megawatts peak (MWp) ENIPEAS solar project in Greece. Ameresco Sunel Energy is a collaboration between Ameresco and Sunel ...

Ameresco Sunel Energy SA is a joint venture between Ameresco, Inc., (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy, and Sunel Group, an international leading solar PV EPC contractor. The joint venture has successfully secured a contract to construct the Enipeas project for Lightsource bp ...

Ameresco Sunel Energy has commenced construction, since December 2023, on the portfolio of multiple solar photovoltaic (PV) park projects of renewable energy producer Sonnedix in the UK. The five ground-mounted ...

US-based renewable energy firm Ameresco and the Sunel Group, an EPC contractor and developer for solar projects, have joined forces to bid for 1.5 GW of solar photovoltaic (PV) and battery energy storage system (BESS) projects. These projects are located in the UK and Europe across Greece, Italy, Spain, Romania.

Ameresco and Sunel Group have begun construction on a multiple solar PV park project portfolio, on behalf of Sonnedix, across the U.K.. The design-build projects will consist of five ground-mounted solar PV parks throughout England designed to generate approximately 300,000 MWh of renewable electricity per year.

Ameresco Sunel Energy is a joint venture between Ameresco, from the United States, and Sunel, based in the United Kingdom, but with operational headquarters in Athens, Greece. The latter was founded in 2006 by Greek stakeholders. "The Enipeas project will contribute to boosting the local economy. The presence of workers and contractors will ...

Ameresco, Inc. (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy, and Sunel Group, an international

Through this new partnership, both companies have established Ameresco Sunel Energy to bid on engineering, procurement, and construction (EPC) projects in the UK, Greece, Italy, Spain and Romania.

The Ameresco-owned assets consist of four 11.75 MW and four 7.84 MW battery energy storage systems across the eight different substation sites owned by United Power, located in Adams, Broomfield, and Weld counties. In addition, Ameresco integrated Stem's AI-driven clean energy software to efficiently operate and maintain the systems.

UK-based solar energy developer Cero Generation has selected Ameresco Energy Hellas, a subsidiary of Ameresco, and Sunel Group as its partners for a 100MW solar photovoltaic (PV) project in Greece. The Delfini ...

The partnership combines Ameresco and Sunel's extensive experience in engineering, procurement,

construction, operation and maintenance of large scale photovoltaic and battery energy storage...

Sonnedix is the owner of the portfolio and Ameresco Sunel Energy Ltd, a joint venture between Ameresco and Sunel, will serve as the design build partner.

On September 19, our CEO, Mr. Konstantinos Zygouras, participated as a distinguished speaker at the Renewable Energy Summit 2024 in Bucharest, which brought together the leading players in the hashtag #renewable energy market to discuss the current state of the Romanian renewable energy sector. The event was organized by GOVNET ...
