

Where have Antarctica cabinets been installed?

Our cabinets have been installed across more than 50 countries in quick service restaurants, cafes and bakeries, fuel retailers and convenience stores, supermarkets, and hospitality and food specialty. As their partner for India, Bangladesh, and Nepal, Antarctica Equipment brings their top offerings to market.

Who is Antarctica equipment?

As their partner for India, Bangladesh, and Nepal, Antarctica Equipment brings their top offerings to market. Display cases, pozzetti, undercounter refrigerators and freezers, bar counters and more: a solution for every need! For over 60 years, Ifi has been driven by innovation and design to improve people's quality of life.

Why should you choose Antarctica equipment?

At Antarctica Equipment, we prioritize sustainability. We go beyond saving money. Our refurbishment and refresh services extend the lifespan of your equipment, reducing the need for new purchases and thereby reducing your environmental impact.

Should I rent gear in Antarctica?

Gear rental is also a great (and sustainably minded) solution for those who aren't likely to reuse their Antarctica gear at home or on future travels. Check with your expedition cruise operator to see if they recommend a particular rental company. What Should I Wear in Antarctica While on Excursions?

What should I pack for Antarctica?

While it may be tempting to pack a pile of your coziest, heavy-weight sweaters, bulky items are simply not ideal Antarctica clothing. Instead, multiple light- and medium-weight layers are a more effective strategy when it comes to mobility, adaptability, and keeping warm on your excursions.

Do you need walking boots in Antarctica?

You won't need them for excursions in Antarctica, but if you plan to add on an extension voyage, there is excellent hiking in Ushuaia and neighboring areas of Patagonia. If you do bring walking boots, they can double as your ship shoes to save space. What Types of Boots Do I Need to Bring?

Durable and weatherproof outdoor cabinet made of 100% HDPE durable UV resistant resin, rustless, colorfast, and waterproof, can be for several uses.

Conditions in Antarctica change drastically throughout our season and vary depending on your location. At Union Glacier, the climate is very dry and generally sunny but wind chill can impact temperatures greatly with early November being as cold as -22°F (-30°C). Average mid-season temperatures range from -12°F to 30°F (-24°C to -1°C).
