Does Tokelau have access to non-New Zealand capital funding?

Currently Tokelau has limited access to non-New Zealand capital funding. To assist addressing the energy sector issues in year 2004 the first ever Tokelau National Energy Policy and Strategic Action Planning (NEPSAP) was developed and approved after extensive preparation and consultations.

How much money does Tokelau spend importing fuels a year?

Tokelau spends about \$829,000 every year to import fuels. The government of Tokelau now plans to spend these savings on other essential services like health and education. The savings will also be used to repay the grants and financial assistance the government received from New Zealand government for this project.
