Can Armenia ride the AI wave to prosperity?

Of course,Armenia isn't alone in trying to ride the AI wave to prosperity--but the drivers here are far from purely economic. Russian President Vladimir Putin's war of choice in Ukraine has wrought an immeasurable human toll,while roiling markets,disrupting supply chains,and sending inflation soaring across the globe.

Is Armenia a tech powerhouse?

Various indexes show Armenia as the emerging tech powerhouse of the Southern Caucasus region,a legacy of its role as one of the Soviet Union's top technology centers - the USSR's first general-purpose computers were developed there in the early 1960s.
