

**Who is Axpo Hungary Kft?**

Axpo Hungary Kft. trades in electricity in Hungary and conducts cross-border trading with the Slovak Republic, Croatia, Romania, Serbia and Austria. It is accredited on the Hungarian HUPX spot market. Its customers are local producers and consumers as well as European electricity generators and traders.

**Is Axpo a climate-friendly company?**

In Italy, Spain, Portugal and Poland, Axpo has a total of around 400,000 delivery points for electricity and over 45,000 delivery points for gas directly, as well as through sales partners. The Axpo power mix with hydropower, nuclear energy and biomass is climate-friendly insofar as it hardly results in CO<sub>2</sub> emissions in Switzerland.

**What is Axpo Services EMEA?**

Axpo Services EMEA was incorporated in Spain in 2022. It is a subsidiary of the Swiss company Axpo and operates as a vital extension of the Swiss teams. It specializes in IT, legal, HR, treasury, marketing and other areas, and plays a pivotal role in enhancing Axpo's global operations.

**What does Axpo Holding do for a living?**

Up until the year 2012, Axpo Holding was the main sponsor for the top Swiss soccer league, the Axpo Super League. The greenhouse gas intensity for the Group's entire power plant park, including plants abroad (such as gas and steam in Italy) amounted to 97 g CO<sub>2</sub> equivalents per kilowatt-hour (kWh) in financial year 2018-19.
