

What does the Council of Ministers of Bolivia do?

Council of Ministers of Bolivia, or Cabinet of Bolivia, is part of the executive branch of the Bolivian government, consisting of the heads of the variable number of government ministries. The Council of Ministers are ministers of state and conduct the day-to-day business of public administration within Bolivia.

Can the president of Bolivia reorganize the executive branch?

The President of Bolivia may freely reorganize the executive branch, with the most recent comprehensive reorganization occurring in February 2009. Since then, the Ministry for the Legal Defense of the State has become the independent office of Solicitor General, and the Ministry of Communication has been created. Eco. Dip. Law. Dip. Law. Law.

Is Bolivia facing an attempted coup d'etat?

Armored vehicles rammed into the doors of Bolivia's government palace Wednesday as President Luis Arce said the country faced an attempted coup, insisted he stands firm and urged people to mobilize. In a video of Arce surrounded by ministers in the palace, he said: "The country is facing an attempted coup d'etat."
