

When was CEG Limited incorporated?

C.E.G. Limited was incorporated in 1995, when it took over the Company Management business of an associated company, which had been incorporated in 1985. Here is some background information on the services that we furnish. You can find more information by clicking on the appropriate text-link.

What makes Anguilla a good offshore company?

Key Characteristics of an Anguilla Offshore Company: **Tax Neutrality:** Anguilla IBCs enjoy a tax-neutral status, meaning they are exempt from local taxes on income and capital gains, making it a popular jurisdiction for tax planning. **Privacy:** The jurisdiction offers privacy for business owners with no public registry of shareholders or directors.

What is the Anguilla companies act?

The Anguilla Companies Act, for instance, exemplifies local legislation that governs company formation, operation, and dissolution, ensuring that businesses have clear guidelines to operate within Anguilla's jurisdiction. In recent years, Anguilla has enacted modern offshore legislation designed to attract international business.

What is a registered agent in Anguilla?

The address must be a physical location on the island of Anguilla. It must be accessible to the public during normal business hours. The address serves as the place where official documents and notices will be legally served to the company. A registered agent acts as a liaison between the company and the Anguillian government.

What services does Anguilla offer?

These services ensure that companies can confidently navigate the local business landscape. Anguilla's Commercial Online Registration Network (ACORN) is a digital platform that significantly simplifies the business registration process. It offers: **Online incorporation:** Companies can be incorporated quickly and efficiently.

What is a limited liability company in Anguilla?

The Limited Liability Company in Anguilla provides a structure where owners have limited personal liability for the debts and actions of the LLC. It is a popular choice due to its simplicity and protective features. Key aspects of an LLC include: **Membership:** LLCs are owned by one or more individuals or entities, known as members.
