As a world renowned PV manufacturer, Jetion Solar specializes in research, development, production and sales of high efficiency solar cells and modules. Since its foundation in 2004, Jetion Solar has accomplished significant achievements which outpaced most of our main competitors in terms of production capacity and in the number of innovations.

Quality System is the Cornerstone Establishing a complete quality system is essential for industry-leading companies. Jetion Solar has passed the field inspection and comprehensive evaluation by the experts from British Standard (bsi.) and Beijing Zhilian, and has successfully passed three system certifications, including ISO9001: 2015 Quality Management System certification, ...

Jeniüs III Módulo fotovoltaico monofacial 395W-550W JT SEh 108 celdas / JT SGh 144 celdas

Modelo Mono de 144 celdas, con diseño de medio corte y tecnología MBB madura, potencia míxima de 550W, es perfecto para instalaciones industriales y comerciales montadas en el suelo y proyectos fotovoltaicos residenciales.

Jetion Solar è stata ristrutturata da CNBM (China National Building Material Group Co., Ltd.). Avviato lo stabilimento in Thailandia con una capacità produttiva di 100 MW di celle e 200 MW di moduli Fotovoltaici. Quota di mercato n.1 in Thailandia con più di 130 MW spediti

Industry Leading PERC+ Cell Technology Based on large size Si-wafer with low oxygen content and defects, Jetion Solar R& D team applies self-developed core patented cell technologies, such like passivation contact, multiple light utilization and metallization printing technology, etc., and successfully realized mass production of cell efficiency with more than 23.00%.

Jetion Solar continuously invests in the reform and innovation of solar products by upgrading cell technologies, laboratory equipment and employing potential R& D talents. ... (China National Building Material Group Co., Ltd.) Launched Thailand factory with 100MW PV cell and 200 MW PV module production capacity. 2012

Jetion Solar (China) Co., Ltd. is a world-renowned solar PV manufacturer, which is affiliated to China National Building Materials Group Corporation (CNBM), one of the FORTUNE 500 companies. Jetion Solar provides solar products, solutions and global EPC services to utility, commercial and residential customers all around the world and was rated ...
