Where are Djibouti and Somaliland?

Djibouti and Somaliland sit at the very edge of the African continent, a stone's throw from Arabia on the shores of the Red Sea. This short trip takes in some of Africa's most incredible landscapes, combining them with a fascinating collection of cultures that owe as much to the Middle East as they do to the countries further south.

Where is Djibouti?

The Horn of Africa brings to mind treacherous coastlines patrolled by AK47 wielding pirates, unforgiving desert plains and fiercely proud tribes. And there is Djibouti, a land of stark beauty with blinding salt flats, mysterious moonscapes, petrified forests and remote mountains hidden away, far off the beaten track, waiting to be discovered.

Are there taxes in Djibouti?

There are no arrival or departure taxes applicable for Djibouti. There is an arrival tax of \$34 and a departure tax of \$44 which must be paid when entering and leaving Somaliland. These must be paid in US dollars. The local currency in Djibouti is the franc.

Is Djibouti a good holiday destination?

Lake Assal, Djibouti - From a distance, Djibouti 's Lake Assal could be mistaken for a prime holiday destination. Its waters glisten under the midday sun, sparkling in different shades of dark blue, turquoise and green. In the distance, camel caravans carry payloads of goods into the desert, disappearing beyond the horizon.

When is the June solstice in Djibouti?

The June solstice (summer solstice) in Djibouti is at 11:50 pm on Thursday, June 20, 2024. In terms of daylight, this day is 1 hour, 21 minutes longer than the December solstice. In most locations north of the equator, the longest day of the year is around this date. Jan | Feb | Mar | Apr | May | Jun | Jul | Aug | Sep | Oct | Nov | Dec
