The Cook Islands consist of 15 islands scattered over an area stretching some 2 million square kilometers in the Pacific Ocean. While the islands are named after 18th-century British explorer Captain James Cook, Polynesians have actually inhabited the islands since at least 1000 CE (Cook wasn't even the first European to arrive here; the Spanish and ...

Atiu. Rarotonga and Aitutaki are by far the most visited islands in the Cook Islands. The other islands don't even come close. But that's exactly why travellers do decide to explore the lesser-visited islands of the Cooks; to experience something more adventurous, less crowded and perhaps a little more authentic. A first go-to for such an occasion would be the ...
