

Sao Tome and Principe: Many of us want an overview of how much energy our country consumes, where it comes from, and if we're making progress on decarbonizing our energy mix. This page provides the data for your chosen country across all of the key metrics on this topic.

São Tomé and Príncipe is not a cheap destination - though it's far more reasonable than other African island idylls like Mauritius or Seychelles; for a top-notch hotel, think EUR300 a night rather than EUR3000. On a tight budget, you might be able to get by on EUR100 per person per day - or even a little less.
