The Faroe Islands are a small but unforgettable group of islands in the North Atlantic. With their wild landscapes, cosy villages, and close-knit community, there"s a unique charm to life here. This page gives you a glimpse into what makes the Faroe Islands special--from our everyday traditions to our commitment to living in harmony with nature.

The 18 jagged volcanic islands which make up the Faroe Islands resemble a handful of rocks scattered haphazardly in the deep-sea ocean. Home to mountains of myth, hobbit-like turf-roofed houses, and grazing

shaggy sheep, these islands make up the perfect playground for the senses. They inexplicably unearth a soothing sound of stillness and a ...

The worst time to visit the Faroe Islands is the winter. The weather and daylight are the worst for exploring the archipelago. Winter in the Faroe Islands is a cold, windy time of the year. Keep in mind that the Faroe Islands are very far north, so it makes sense that the winters here are fairly intense.

The Faroe Islands' first large photovoltaic system turns 2 years old. The plant is also the first major photovoltaic system in the Faroe Islands.

This guide will give you the top tips on how to visit the Faroe Islands on a budget! I am always looking to keep costs down, so I will be giving you a few top tips on how to visit the Faroe Islands on a budget. At the end I will also include a one week itinerary.

Mykines Faroe Islands. Mykines Island is a seabirds paradise with hundreds of puffins, gannets and other species who flock here during the summer. Enjoy some Faroe Islands hiking to the islet Mykines, known as Puffin Island to see the rich birdlife on the beautiful island they choose to call home. Nearby is the Málafossur waterfall that cascades off the island.

The Faroe Islands comprise over 750 islands, islets, and skerries, yet it is the 18 main islands that truly encapsulate the spirit of the nation. Of these, only one remains uninhabited. Streymoy, not only the largest island, is also the most populated and hosts the capital, Tórshavn.

Based in Copenhagen, Adrienne Murray Nielsen is a British freelance journalist and travel writer. Her travel bylines can be found in BBC Travel, National Geographic Traveller, and Dorling Kindersley, and she's authored the Faroe Islands sections of Lonely Planet's Denmark and Scandinavia guides. An avid independent traveler, Adrienne has visited almost ...

On my first Faroe Islands trip, this was a place I returned to over and over again, to wander across the

hillsides, to watch the ethereal bay fill with water and to wait for the entire valley to be bathed in soft golden light. It's also possible to walk around the bay to the beach beyond at low tide, just be sure to keep an eye on the tides.

A wet day is one with at least 0.04 inches of liquid or liquid-equivalent precipitation. In Faroe Islands, the chance of a wet day over the course of November is essentially constant, remaining around 47% throughout.. For reference, the year's highest daily chance of a wet day is 52% on January 4, and its lowest chance is 24% on June 7.. Over the course of November in Faroe ...

Faroe Islands is not exactly the first country that comes to mind when thinking vegan-friendly places, but you'd be surprised just how easy it can be - even in an isolated North Atlantic archipelago! Food culture in the Faroe Islands. Faroese cuisine is traditionally based on the available resources, which means lots and lots of meat.
