

What is China International Energy Storage Expo?

China International Energy Storage Expo,a branded event organized by the Electrical Energy Storage Alliance(hereinafter referred to as EESA),has been successfully held for two editions.

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025,and will be held at Beijing New International Exhibition Center Phase II.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls,inviting participation from power companies,power generation groups,grid companies,transmission and distribution operators,grid system operators and integrators,new energy manufacturers and investment institutions.

Recently, by Gaogong Lithium Battery The 2024 Gaogong Lithium Battery Annual Conference hosted by the company was grandly held in Shenzhen. With the theme of "Restructuring Boundaries, Reconstructing Values, and Reshaping Ecology", this annual conference brought together many companies and industry executives from the global lithium ...
