

Who is gentari solar Australia?

Gentari is dedicated to maximising affordable and sustainable power in the electricity networks to assist in the steps forward to a clean energy future. At Gentari Solar Australia, we strive to consistently deliver successful utility-scale renewable energy projects for our clients and investors alike.

What will gentari do for Petronas?

Gentari is set to amplify PETRONAS' ambitions in renewable energy, hydrogen and green mobility, contributing to the PETRONAS Energy Transition Strategy and the Net Zero Carbon Emissions by 2050 Pathway. o Acquired and rebranded WIRSOL Energy to Gentari Solar Australia, adding 422 megawatt of gross capacity to Gentari's overall renewables portfolio.

What does gentari do?

Gentari supports the shift to clean energy by providing dependable solar solutions for Commercial & Industrial (C&I) and utility-scale customers. With an emphasis on customer needs, expertise and adaptability, we offer tailored solar solutions to meet diverse energy requirements, helping businesses and communities work toward their energy goals.

How will gentari solar expand in 2023?

We continue to expand and diversify our portfolio in 2023 by entering the Australian market through Gentari Solar Australia and venturing into the offshore wind segment by completing the acquisition of 49 per cent ownership in Northland Power Inc.'s stake of the Hai Long project off the Changhua coast.

How did gentari solar enter Australia?

First entry into Australia through the acquisition and rebranding of Gentari Solar Australia, and the offshore wind segment via the Hai Long project off the Changhua coast. capacity. Progressing towards actual hydrogen assets, with approximately 200 KTPA of hydrogen opportunities that have advanced beyond the feasibility stage.

Why should you choose gentari EV charging solutions?

Working with key stakeholders, we provide accessible EV charging solutions to support the growth of EV infrastructure in the region. Gentari's Vehicle-as-a-Service (VaaS) offers businesses a complete solution for electric fleets, including EV leasing, maintenance and charging support.

KUALA LUMPUR, Malaysia - 21 February 2024 - Clean energy solutions provider Gentari Sdn Bhd through its subsidiary Gentari Green Mobility Sdn Bhd (Gentari) has launched Gentari Go, a customer experience platform offering an integrated sustainable lifestyle by unifying Gentari's clean energy ecosystem. Currently featuring green mobility and ...

Abu Dhabi, UAE, November 6, 2024 - Abu Dhabi Future Energy Company PJSC - Masdar, the UAE's clean

energy powerhouse, has signed a Joint Study Agreement with Malaysia's Sarawak Energy and clean energy solutions provider, Gentari, to assess the feasibility of a floating solar power plant at the reservoir of Murum Hydroelectric Plant in the state of Sarawak, Malaysia.

In India, its subsidiary, Amplus Solar, manages 1.9 GW of solar power for over 400 C& I customers, with an additional 300 MW of projects nearing final investment decision. In Australia, Gentari's acquisition of WIRSOL ...

Kuala Lumpur, 27 November 2024 - Clean energy solutions provider Gentari Sdn Bhd (Gentari), through its subsidiary Gentari Green Mobility Sdn Bhd, and Mastercard have announced their collaboration towards promoting electric vehicle (EV) adoption in Asia Pacific. The two companies have signed a Memorandum of Understanding to jointly explore advertising, marketing and ...

See what other happy and satisfied solar energy clients in Barbados have to say about our energy saving solutions. Our entire home is powered by the off grid system and everything works well. When we had the bad weather recently, we ...
