

What is Hengtong energy storage?

Hengtong Energy storage has two self-developed products: DC charger and AC charger. The products have the advantages of cloud monitoring, cloud operation, cloud management, intelligent operation, intelligent maintenance, dedicated system for large customers, channel diversion, and friendly UI interface.

Who is Hengtong energy storage company?

JIANGSU HENGTONG ENERGY STORAGE TECHNOLOGY CO.,LTD. Hengtong Group is a national innovation-oriented enterprise in the fields of Optical Fiber Network, smart Grid, Big Data & Internet of Things (IoT), New Energy & New materials, etc. Hengtong was founded in 1991, headquartered in Wujiang, Suzhou.

Who is Jiangsu Hengtong energy storage technology?

Jiangsu Hengtong Energy Storage Technology Co., Ltd. is a wholly-owned subsidiary of Hengtong Group, established in 2019. We provide intelligent energy storage products which are safer, more efficient, less carbon emissions for the customers.

Who is Jiangsu Hengtong?

Jiangsu Hengtong Energy Storage Technology Co., Ltd. is a wholly-owned subsidiary of Hengtong Group, established in 2019. The company has always been customer-centric, providing customers with "safer, more efficient and less carbon emission intelligent energy storage products".

Who is Hengtong group?

Ltd. is a wholly-owned subsidiary of Hengtong Group, established in 2019. The company has always been customer-focused, providing customers with "safer, more efficient and less carbon-emission intelligent energy storage products".

Why is Hengtong accelerating its efforts to build a world-class Enterprise?

In the context of economic globalization and the implementation of the Belt and Road Initiative, Hengtong is accelerating its efforts to build a globalized, high-tech, and international world-class enterprise with an open, inclusive, cooperative, and win-win development philosophy.
