Who are Manx solar electrical?

You might be surprised! 2019 Manx Solar Electrical Ltd. Registered in the Isle of Man No. 127 689C. VAT Registration No. 004 6877 73 The Isle of Man's leading renewable energy provider, Solar PV, Heat Pumps, EV Charging, Tesla Powerwall, Solar Edge, Stiebel Eltron, Dimplex, Mitsubishi, JA Solar.

Is it time to install solar panels in the Manx?

Even on a bright Manx winters day a panel can generate a considerable amount of electricity (perhaps 30% of capacity). There is something very satisfying about receiving an energy bill from Manx Utilities which is not only zero, they might pay you because of excess energy sold to the grid. There has never been a better time to install solar.

Solar Panels are a very efficient way to harvest the Isle of Man's solar potential and turn it into power for your home or business. The Isle of Man produces more solar than you would think, even on an overcast day, we are still reaping the rewards of free electricity!
