A key component of Megatech's business is electrification. Renewable Energy is complimentary to this when looking at the larger Southern African landscape as well as the local landscape in Namibia. A large portion of Namibia does not have access to the electrical grid, creating need for decentralized systems (including storage).

What started out in a corner of the main branch, soon grew to become a fully-fledged store. Pupkewitz Megatech opened the first Renewable Energy branch in Windhoek in March 2020 and is was officially opened by the Deputy Director of Energy at the Ministry of Mines and Energy, Mr. Daniel Zaire and the CEO of the Pupkewitz Foundation and shareholder, Mrs Meryl Barry.
