Breaking the generator habit isn't easy, warns Uvie Ugono, founder and CEO of Solynta Energy in Lagos. One feature of generators that consumers value is the ability to turn them off and on as a way to manage costs, so his team built tech allowing people to set the amount they're willing to spend on solar energy.

With companies like Wavetra Energy, Solynta Energy, and PrimePoint Solar at your service, transitioning to solar power is easier and more reliable than ever. So, whether you're powering a small home or a large enterprise, there's a solar solution in Lagos waiting for you. Embrace the sun's bounty and let your solar journey begin!
