Are Nestlé and Cargill sourcing Nicaraguan beef?

A Mongabay analysis shows major multinational companies including Nestlé and Cargill are at risk of sourcing Nicaraguan beef from indigenous regions consumed by settler occupation and mass deforestation. Both companies admit they can only trace the origin of their Nicaraguan beef back to the slaughterhouses, not the ranches.

Did a company buy beef from Nicaragua in 2019?

The intermediary companies listed in U.S. customs data as having received beef from Nicaragua in 2019 did not respond to questions about their supply chain, but export data show that all four of the companies bought beef from Industrial Comercial San Martín, the second-largest exporter of beef in Nicaragua.

Who is Nuevo Carnic?

In 1991, we rebranded as Nuevo Carnic. Since then Nuevo Carnic has established itself as a leading company in the sector. We are constantly growing and excel at meeting the needs of our customers.
