HONDA Petrol Engine from 5.5HP up to 13 HP- Recoil Start. Electric Start. Quality and performance come standard. Honda's GX series engines are legendary for superior reliability and performance. And there's no doubt about it: the HONDA Petrol Engine GX160 lives up to the legend. Lower noise levels, lower vibration, and lower emissions - without sacrificing power ...

A submersible pump (or sub pump, electric submersible pump (ESP)) is a device which has a hermetically sealed motor close-coupled to the pump body. The whole assembly is submerged in the fluid to be pumped.

The main advantage of this type of pump is that it prevents pump cavitation, a problem associated with a high elevation difference between pump and the fluid ...
