Our line of ballast compatible LED bulbs are the easiest way to upgrade your legacy, inefficient lighting to LED. Simply unscrew and remove the old bulb, screw in the LED. No rewiring, no ballast bypass, no electrician needed. Immediate energy savings coupled with reduced labor installation costs makes for a fast ROI / payback period.

Contact us! We're not around, but we'd love to chat another time! Our LIVE support is available M-F from 8am to 6pm CST. Leave us a note, and we'll get back to you shortly.
