

What is EnerSys powersafe SBS 60?

The EnerSys PowerSafe SBS 60 battery range utilizes unique and proven technology to provide a superior range of valve-regulated batteries with an extended service life in compact and energy dense configurations.

What is a powersafe sbs60?

The PowerSafe SBS60 is smaller than the competition so the design of the front terminal series offers improved flexibility where space is limited and makes installation and maintenance easier and faster. The PowerSafe SBS60 is designed to cope with raised temperatures and harsh environments.
