

What does Sempra do?

Our purpose is to provide leadership to the global energy transition by helping to enable electrification and decarbonization in every market we serve. As owners of one of the largest energy networks in North America, nearly 40 million consumers rely on Sempra for safe, reliable and affordable energy.

What is Sempra infrastructure?

Sempra Infrastructure: Sempra Infrastructure was formed in 2021 through a merger of two Sempra operating companies: Sempra LNG and IEnova. The company develops, builds and invests in North American energy infrastructure, including liquefied natural gas and net-zero solutions, energy networks and clean power.

Who owns Sempra Energy?

The company is led by chairman and chief executive officer Jeffrey Martin, who assumed that role in May 2018. Sempra ranks as one of the largest energy companies in the world and is ranked #246 on the Fortune 500 list as of 2024 and #366 on the Forbes Global 2000 list as of 2024.

How has Sempra's business changed over the years?

Since its founding in 1998, Sempra has evolved into a diversified energy infrastructure company serving nearly 40 million customers. One thing that hasn't changed is our commitment to innovation by our employees. This empowers them to help solve some of the most pressing energy challenges affecting the world today.

What happened to Sempra Energy?

On January 16, 2019, Sempra Energy was added to the Dow Jones Utility Average, replacing Pacific Gas and Electric. Over 2018 and 2019, Sempra completed its divestiture of its U.S. renewables and non-utility natural gas storage assets, generating approximately \$2.5 billion in cash proceeds.

Is Sempra Energy refocusing its investments in North American transmission & distribution infrastructure?

The company stated its intent to refocus its investments in North American transmission and distribution infrastructure. In March 2019, Sempra Energy and Oncor Electric Delivery Company announced the acquisition of InfraREIT, and Sempra Energy's acquisition of a 50% interest in Sharyland Utilities.
