

What is solar & storage live KSA?

UP NEXT IN THE MIDDLE EAST & AFRICA SERIES... Solar & Storage Live KSA is the definitive event that brings together new technology, efficiency, new thinking, and best practice in the industry as the countries' premier major services and supplier-led exhibition, with a high-level multi-track conference.

Why is Mali building a new solar power plant?

As Mali grapples with an ongoing electricity crisis that hampers economic growth, transitional President Assimi Goïta laid the foundation stone for a new 200 MW photovoltaic solar power plant. The Russian company NovaWind, a subsidiary of Rosatom, is constructing the plant, marking a significant step in the country's energy sector.

Why is Mali launching a 200 MWp solar power plant?

Loading... Mali's President Assimi Goïta has launched a 200 MWp solar power plant project with NovaWind, a Rosatom subsidiary, to address the nation's electricity crisis and promote sustainable energy. The EUR200 million investment aims to supply 10% of Mali's electricity within 12 months.

What is solar & storage live?

Design. Construct. Operate. Join us at Solar & Storage Live as we spearhead the revolution towards a brighter, greener future! Our mission is to accelerate the adoption of solar energy propelling us towards a global landscape powered by clean, renewable energy sources. We do this by creating large scale local exhibitions spanning the globe.

What is a solar & storage show?

Our Solar & Storage shows bring together the titans of solar and storage manufacturing alongside dynamic local players and distributors. In 2024 over 3,000 companies are exhibiting at our shows. To sponsor or exhibit at one of our events, complete this form and we'll get back to you.
