

The multifunctional properties of photovoltaic glass surpass those of conventional glass. Onyx Solar photovoltaic glass can be customized to optimize its performance under different climatic conditions. The solar factor, also known as "g-value" or SHGC, is key to achieve thermal comfort in any building. Onyx Solar's ThinFilm glass displays a solar factor that ranges from 6% to 41%, ...

Serving the community, commercial and utility sectors, Terrasmart integrates products and solutions across the PV lifecycle to minimize risks and maximize returns. With over 19 GWs of solar deployed across 4600 PV systems, ...

Greetings from Triveni Renewables Pvt Ltd! We're more than just a company; we're your dependable partner for sustainable glass and solar solutions. With over five decades of experience, we proudly stand as India's leading solar glass manufacturer and a prominent player in the glass industry.

SunGuard® Solar est un verre de contrôle solaire destiné au secteur commercial qui aide à réduire les pertes d'énergie solaire. Il constitue la solution idéale pour les applications où un gain de chaleur solaire excessif pourrait entraîner des environnements de vie inconfortables. Ses qualités réfléchissantes peuvent également améliorer l'aspect esthétique.

Both companies have recently announced major expansion plans, on the heels of rapid domestic solar manufacturing growth in the U.S. "We are thrilled to add glass to our growing set of domestically made materials that will go into our modules. Partnering with SOLARCYCLE enables us to improve our supply of domestic components, to help our clients ...

Onyx Solar is a global leader in manufacturing photovoltaic (PV) glass, turning buildings into energy-efficient structures. Our innovative glass serves as a durable architectural element ...

The company is building a "first of its kind" solar glass manufacturing facility in Georgia, US, which will produce glass from recycled US solar modules. The site will produce glass for ...

Solar Group, Inc. was established in 1957 as a hardware manufacturing company. Over the years, the company purchased several small businesses and ultimately focused on manufacturing mailboxes. ... Gibraltar companies supplied more than 3.3 million meals to local food banks and created and distributed 200,000 masks and 5,600 face shields to our ...
