Does Solaria have a warranty?

The PowerX Advantage Series, featuring Solaria's innovative cell cutting and dicing technology, provides all-black 400 watt solar panels that set new standards for value and performance. The Solaria "Power, Parts and Labor" warranty is still in full effect. Contact our support team for technical product questions and warranty matters.

Is it time to install solar panels in the Manx?

Even on a bright Manx winters day a panel can generate a considerable amount of electricity (perhaps 30% of capacity). There is something very satisfying about receiving an energy bill from Manx Utilities which is not only zero, they might pay you because of excess energy sold to the grid. There has never been a better time to install solar.

Is Solaria part of Maxeon solar technologies?

The Solaria brand is now part of Maxeon Solar Technologies, a global leader in solar innovation. You can find the full Maxeon Solar Technologies product line here. The PowerX Advantage Series, featuring Solaria's innovative cell cutting and dicing technology, provides all-black 400 watt solar panels that set new standards for value and performance.

How reliable are solar panels?

Solar panels convert the light from the sun into electricity, with no moving parts they are very reliable a 30 year life is realistic, that means with payback averaged at 9 years, you can have 21 years of free electricity! Even on a bright Manx winters day a panel can generate a considerable amount of electricity (perhaps 30% of capacity).
