The standby duration can be set in the Anker app.

The Anker SOLIX C800 Plus jumps to the top of my list of recommended portable power stations for a few scenarios. If you are looking for a versatile (and affordable) power station for camping, the C800 Plus is an obvious choice. It has plenty of outlets, exceptional power delivery for this class, and the integration of lights for camping is ...

Anker has been a leader in the portable power station game since 2016. These days, their latest releases in this space are being placed under the SOLIX energy solutions sub-brand they launched last summer.. Two of the newest additions to the family, which debuted at CES 2024 a couple months ago, are the SOLIX C800 (model A1753) and SOLIX C800 Plus (model A1754) ...

A light-medium duty power station The SOLIX C800 Plus stores 768 watt-hours of electricity, and can put out up to 1.2kW. That's enough to run most gadgets, but not power-hungry appliances like ...
