

Here's how you can see Saturday's "ring of fire" solar eclipse. This Saturday, many people around the world, including St. Vincent, will experience a rare celestial event: a solar eclipse. Solar eclipses don't happen every day, so seeing one will be a rare pleasure. A solar eclipse occurs when the moon passes between Earth and the sun ...

The Caribbean Development Bank has approved financing of \$8.6 million to St Vincent Electricity Services Ltd (Vinlec) for the supply and installation of solar photovoltaic (PV) systems at company buildings in the ...

In St. Vincent and the Grenadines, high mountain ranges and dense forests ensure a water supply that is as pure as possible. The country's lone water provider, the Central Water and Sewerage Authority (CWSA), has over the years managed to build a purely gravity-fed infrastructure, which means pumps are not required in its distribution process.
