As a pretty regular visitor to China and Hong Kong I've been using the White Stag for many years. When you spend a week in China working its fantastic to end up here and a pint of Tetley awaits. The food is always excellent, and a good choice is available, its not a posh restaurant but its high-end pub food at very reasonable prices.

Variation trends in solar radiation over the years also have implications for the long term application of solar energy resources. With an increasing trend in the mean cloud amount in the past few decades (Figure 3) and a rising trend in the number of hours of reduced visibility under 8 km (Figure 4), there is an overall decreasing trend in the total global solar radiation in Hong ...
