About Western Sahara Where is Western Sahara? Western Sahara is located to the south of Morocco and north of Mauritania. As its name suggests, it is located right in the middle of the Sahara Desert. It spans over 272,000 square kilometers (105,000 square miles) and is the most sparsely populated "country" on the continent (and second globally).

Battery Bank is a patented locker system with 20 integral protected power points; At the end of the day, all you need to do is place your power tools in the battery bank, charge them up safe in the knowledge that they'll be safe and secure; Battery Bank is a patented 11 door locker system with 20 13 Amp protected power points and MCB ...

In late July, Morocco secured another diplomatic coup in a string of recent triumphs when France backed its territorial claims over Western Sahara. France joins a growing list of countries, including the United States, to champion the North African kingdom's plan for autonomy under Moroccan sovereignty. France's decision is, however, the source of much ...
